

17th International conference on materials chemistry (MC17)

7-10 July 2025 | Edinburgh, Scotland

Sponsorship menu

You are warmly invited to join us in July 2025. The international conference on materials chemistry has been a key meeting in the materials calendar for three decades.

The conference promises to be a great forum for materials chemists to network with and build strong collaborations within their community and related disciplines.

Organised by the Royal Society of Chemistry, the 2025 conference will host leading materials researchers from around the world. It's the flagship event for the RSC Materials Chemistry Community (previously Materials Chemistry Division) - and you can be a part of it.

We look forward to welcoming you to Edinburgh in July 2025.
